Treat your Mac to a Grafx Health Check, and give yourself peace of mind.

Is your trusty old Mac starting to show it's age? Getting a little bit longer to do the same tasks with the newer software? Maybe you can't load new software due to the old operating system! Where do you start?

They say prevention is better than cure, so why not get the expert Apple Authorised service department at Grafx to breathe some new life into your existing Mac, you may be surprised at how well it responds!

Each Grafx Health Check Includes :

- **Full Hardware Diagnostics** - Find problems before they cause failure
- **Hard Drive Optimization** - Verify Hard Drive and optimize for efficient use
- **Software Updates** - Update Apple Software to latest applicable version
- **Security Updates** - Install latest Apple Security and Firewall updates
- **Advice** - Advise on any problems found, and action needed
- **Same day Service Available** (*Saturdays Only subject to availability*)

Only
£49 inc vat

Just contact Chris or Matt to arrange your Grafx Health Check and have peace of mind
